Youth Resource Officer Role:

Child & Youth Policy:

- ☑ Early preventative intervention
 - ☑ Addresses causes not the symptoms of problem behaviour
 - ☑ Integrated and holistic approach embracing the family, peer, community, education and employment networks that is considerate of cultural influences
 - ☑ Building capacity at the local level to identify, intervene and respond to the factors that influence youth over representation in crime & road statistics
 - ☑ Reduces the likelihood of further harm occurring by responding at the earliest opportunity
 - ☑ Diversion from the negative effects of exposure to the criminal justice system
 - ☑ Focuses on community partnerships, referral and the use of discretionary powers in utilising pre-court and non court options
- ☑ Provide a policing youth framework that increases the capacity of police to deal with police/youth issues, whilst addressing the needs of effective operational policing partnership with the local community & government agencies.
 - ☑ To engage all sectors of the community which develops the capacity of local communities to deal with youth issues.
 - ☑ Provide a service which best suits the needs of the organisation, local police and young people.
 - ☑ Work with local partners in identifying local youth issues and developing strategies with appropriate performance measures for success.
 - ☑ Work with local communities and partners to develop systems, support and services to provide young people with positive pathways for developing to their full potential.
 - ☑ Support and increase the capacity of local operational police to identify and address youth issues.
 - ☑ Provide an equitable policing service to both rural and metropolitan Victoria.
